**STIPULATION AND ORDER**

IT IS HEREBY STIPULATED by the parties, subject to the approval of the Court, that the time for each of the defendants AstraZeneca AB, Aktiebolaget Hassle, and AstraZeneca LP to answer, move, or otherwise respond to the Complaint in this action shall be extended through and including April 3, 2006.

This extension is required because the parties have today filed a proposed Case Management Order covering this action and other related actions filed by direct purchasers. The Case Management Order contemplates that these direct purchaser actions will be consolidated and that the plaintiffs will file a Consolidated Amended Complaint. If the Case Management Order is approved by the Court, the defendants would not be required to answer, move or otherwise respond to the Complaint in this action, but instead would respond solely to the Consolidated Amended Complaint.
